From

Bombay No.1.

Subject :- Scarcity works :
Relaxation of certain rules and
orders for the proper management of-.

Scarcity has been declared in 247 villages in the Bijapur District, vide G.R. (R.D.) No. 2323/51, dated 15th September 1952 and consequently scarcity works have been started on a large scale by the Public Works Department to afford relief to the people in the affected areas. Scarcity conditions prevail in parts of the Belgaum, Kolhapur, and Dharwar Districts also and scarcity works have been or are likely to be started in these Districts too at the instance of the Collectors concerned. For the proper management of all these scarcity works, the normal rules have to be relaxed to a certain extent. I would, therefore, request you kindly to sanction the following relaxations in so far as the scarcity works are concerned :-

- (1) Permission to pay in cash to piece-workers, each on passed First and Final Bills, the pay to Rs.250/- made either by the Sub-Divisional Officer himself being a Sectional Officer holding an imprest; or by
- (2) Permission to take check-measurements of works as soon as possible after payment of bills as it is not always possible to take check-measurements before payment;
- (3) To authorise Sectional Officers - permanent and temporary holding permanent and temporary advances - to make payment of Muster Rolls without pre-audit by the Sub-Divisional Officer upto Rs.300/- per Muster Roll.

2. The favour of very early orders in the matter is solicited. In the meantime, I am instructing the Executive Engineers to anticipate orders of Government accordingly in so far as it is essential to do so.
